57(3) 185

Fernhill,
Nilgiris.

Submitted to His Highness.

I am enclosing copies of telegrams despatched to the Dewan of Charkhari. His Highness suggested that Her Highness the Yuvarani may wire to the Rani of Jigni informing her that the Dewan of Charkhari has so far not replied to the two telegrams sent to him asking him to come to Mysore with the horoscope of the Princess.

Intd. T.T.
15-3-1938.
